### Brothers

We have recently Initiated a new brother, John Houser, and Passed brother Tony White to Fellowcraft and I want to congratulate all the Officers on their excellent work.

At our next Stated Meeting we will be balloting on Mr. Albert Allen and Mr. Joshua Huddleston to receive the degrees of Masonry in our Lodge.

We will have an Officers practice with the Inspector on March 17th at our Lodge and an Officers Association on March 25th at Wasco Lodge.

Be sure to come out and support **YOUR LODGE**

## SATISFACTION

It isn't the money we get for a job  
That makes us happy, content - -  
It's the joy we find in doing the thing  
That pays for the effort we've spent.

It isn't the glory that follows the deed  
That counts for the utmost, my friend - -  
It's the satisfaction we find in the act  
That pays the real dividend.

It isn't the amount of material things  
That makes us rich let me say - -  
It's the service we give to our fellow men  
That pays highest returns every day.

Left, SW Mel Cloud initiated our new brother John Houser. WM Fred Skidmore was seated in the South.

**Masonry teaches and fosters in the man the qualities of self-respect and self-help — the qualities that make a man fit to stand by himself - and yet it must foster in everyone who appreciates it as it should be appreciated the most beautiful and solemn ritual - it must foster in him a genuine feeling for the rights of others and for the way that is free from the curse of help,, patronizing and condescension.**
